Join UCR FarmShare: It's more than a menu, it's a mission.
Support local farms and make our community more sustainable,
just by eating the freshest & most delicious produce you've ever tasted!
Program starts Thursday, April 9 (for orders placed Tuesday, April 7)

WHAT IS IT
UCR FarmShare is a Community Supported Agriculture (CSA) program — part of a national trend that brings fresh seasonal fruits, vegetables and herbs straight from local farms directly to universities, businesses and municipalities. Choices are mostly organic and include artisanal varieties as well as supermarket favorites.

HOW IT WORKS
Participants subscribe to UCR FarmShare and pick up their fresh produce weekly at the Market at Glen Mor at UCR. You can purchase either "full" or "medium" shares; each week's full share includes five types of seasonal vegetables, five types of seasonal vegetables, and one herb.

WHAT IT COST
A full share costs $28/week; a medium share costs $18/week. You can sign up online (bitly.com/UCRFarmShare), or during pick-up hours at the Market at Glen Mor. Several purchase options are available, including a two-week trial subscription. Please see our website for complete details.
