HEALTHY AGING: *ENHANCING YOUR MIND AS AN AGING ADULT*

Wednesday, January 31, 2018
12:00 – 1:00 p.m. | HUB 367

To register for this workshop, please visit the [workshop registration site](#).

This presentation will challenge your ideas about how we learn as older adults by drawing on research on how infants learn.

In particular, Rachel Wu will introduce six ways in which infants learn that adults could adapt.

Here is a [short video clip](#) by Professor Wu to prepare you for the workshop.
